*B*ECAUSE your patience and kindness have endeared you to all of us; because you are always ready with wise answers for our various problems; because we admire you both as teacher and as friend; because you have guided the development of our characters and have taught us many things; and because we love you, we dedicate the 1945 CHAIN AND ANCHORS to you, Miss Sloan.

Miss Lucile Sloan

*W*E REALIZE that we have been entrusted with an important task. This book has no theme; no heroine has been named; but, as you read between the lines, we hope that you will find yourself there. We have given the background of people, buildings, and events. It is your story for you to interpret as you will. As the years come and go, may you look over these pages often and live again our happy days together.

Purpose

THE general purpose of the Athletic Association is to foster all athletics at Fairfax Hall. The Association sponsors individual activities such as tennis, bowling, riding, badminton, and swimming as well as games with other schools in baseball, hockey, and basketball.

The point system is set up to reward outstanding students and those who do more than the required work in sports. Those who acquire twenty-five points are automatically made members of the organization. When awards are presented at the annual banquet, a Fairfax shield is given to anyone who has accumulated 100 points; a letter to anyone with 200 points; and a white blazer with Fairfax shield to anyone with 400 points.

This year the activities of the Association included Varsity sports—basketball and hockey; sponsorship of the Red Cross Drive and March of Dimes collection; apple picking on Mr. Gates' farm; intra-murals in all sports; an aquacade, directed by Jimmie Closs; and an informal dance. Taking interests and abilities into consideration, it is the hope of the Athletic Association "to find a sport for every girl—and for every girl, a sport."

YOURS FOR A BETTER FUTURE

THE students and the schools which they attend are the backbone of the nation . . . and he who serves his country or community best is the one who receives the highest award.

And so it is with Skillern's Drug Stores. Since 1885 we have served our customers and doctors faithfully with high standard service and quality merchandise at lowest prices . . . and have located over thirty stores in four major Texas cities to better serve our customers.

The award is that we are known all over the nation, and we sincerely appreciate the opportunity of being of service to Fairfax Hall in the publication of the 1945 yearbook.

Whenever any Fairfax student happens to be in Texas, and we hope that each of you will visit Texas some time, be sure to visit Skillern's and make our stores your headquarters.

*Is in a Class
By Itself*

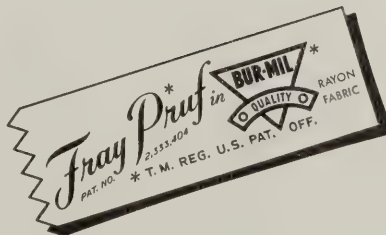

Look at a Fray Pruf* slip or gown closely—did you ever see so much style for so little money?

Look at those seams — fagotted with NYLON thread, a patented feature (U. S. Pat. No. 2,333,404).

Look at the workmanship! It takes twice as long to make a Fray Pruf slip but the precision fit justifies the careful tailoring.

Look at the sales record—nice going, fast turnover, and each Fray Pruf* making a fast friend for your store!

A COLLEGE ANNUAL requires the undivided interest and attention of Editor, Business Manager and Publisher if it is to present that much desired appearance of Character.

☞ For that reason, Everett Waddey Company handles only a limited number of annuals each year—a limited number so as to permit proper service.

☞ Everett Waddey Company of Richmond, Virginia, alone was responsible to the Staff of *Chain and Anchors* for 1945 for the correct manufacture of *Chain and Anchors*.
